**UST BOARD, MYSORE**

MYSORE,

Dated 2nd April 1947

Works connected with the marginally noted improvements have

| | |
|---|---|
| 1 | Formation of roads |
| 2 | Metalling of roads |
| 3 | Layout of parks |
| 4 | Planting avenues |
| 5 | Maintaining parks |

increased to a very large extent on account of formation of new extensions Some buildings in these extensions are started and the important main items of works noted in the margin could not be properly attended to for want of water convenience In addition to this the dismantling of several properties acquired has also to be taken up and very much difficulty is being experienced for removing the debris as it causes undue delay and hardship if we depend upon carts alone for this purpose

Now there are only two lorries for removing debris and conveying gravel, metal, etc , and one water lorry which is being maintained both by the Municipality and Trust Board for the maintenance of the avenues Even these lorries are too old and requires early replacements and repairs every now and then

Under these circumstances it is found very difficult to get through the works properly It is therefore necessary to purchase one water lorry and a lorry at an approximate cost of Rs 15,000/- for the use of Board works The cost will be charged to the Extension Funds

A reference will if approved be made to the Chief Secretary for the purchase of two lorries pending sanction of the Board

---

Subject: Sanctioning the purchase of two lorries for the use of Trust Board Works

--

I have the honour to inform you that there are only two lorries for removing debries and conveying gravel, metal, etc Even the two lorries are very old and undergoing repairs every now and then There is another water lorry which is maintained both by the Trust Board and the Municipality for watering the avenues and parks There is no water lorry maintained purely for Trust Board for consolidation of roads

Now on account of formation of new extensions, a number of roads have to be formed and metalled and the plantation of road avenues and layout of parks have to be taken up as the houses in the extensions have already come up But the present two old dumpin lorries and one water lorry are insufficient for this work Hence it is proposed to purchase one more dumping lorry and one water lorry at an approximate cost of Rs 15,000/- and the same is also approved by the Board in their Resolution No 444 dated the 26th March 1947, copy of which is herein enclosed together with the note of the Trust Board Engineer for favour of perusal and to obtain the orders of Government for purchasing these two lorries

In the meanwhile, the Chief Secretary to Government of Mysore may also kindly be addressed for the allotment of two new chaverlot lorries for this Department to enable the Controller of Motor Vehicles to release the lorries for this Department

REVENUE DEPARTMENT BANGALORE

Sir,

Sub:- Purchase of two lorries for the use of the Mysore City Improvement Trust Board works.

---

I have the honour to invite your kind reference to this office letter of even number dated the 3rd April 1947 and its subsequent letter ending with dated 26th August 1947 regarding the above and request you kindly to arrange for obtaining the orders of Government at an early date.

The lorries that are now working in this office are also old and much difficulty is being experienced for want of lorries for the departmental works

I therefore request that the matter may be kindly treated as very urgent and early orders of Government obtained and communicated to this office for further action.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman

SIR,

Subject - Purchase of Lorries

With reference to your letter No L 14192 dated the 28th February 1948, I have the honour to state that only one Chassis has been allotted to this office instead of two required by this office

A sum of Rs.8,162-1-0 has been paid to Messrs George Oakes & Co , Bangalore, towards the cost of one Ford V 8 58 W B , supplied to this office as per the above allotment

Quotations have been called for, for building the body The total cost will be intimated immediately on receipt of the quotations

In the meanwhile, the Chairman of the Chassis Allotment Committee may be kindly addressed for the immediate allotment of another Chassis

The cost of the lorry already purchased has been debited to the major Extension Funds

subj - purchase of two chasis

Sir,

With reference to your letter no A 5 P.R 13 J 376/48-49 & 857/48 on the above subject, I am directed to request you to furnish information on the following points :-

1) Whether the purchase of these two chasis was made through the Secy C.P.C. or directly

2) Whether tenders were called for for having ~~bodies~~ the body built to these chasis

WD 0565—GPB—22 500—8 11 38

—and if so, how many tenders were received and who was entrusted with this work? the names of the firms who tendered, the amount of each tender may kindly be noted—

3) Why the cost of building a bridge by the Forest Branch exceeds by Rs. 6500/- the cost in the other case when compared to that of the Austin chasis

Yours faithfully,
Chavakkad

Sir

Re:- Purchase of two Chassis

With reference to your letter No.L 2356 dated the 7th Sept.48, I have the honour to state that the above two Chassis were purchased direct from the Firm as per permit granted by the Motor Transport Controller in Mysore, Bangalore, under Permit Nos , noted in margin as per letter

S O 120/47-48 dated 15-1-1948
S O 181/47-48 " 10-3-1948

addressed to the Inspector General of Police in Mysore, Bangalore, in your letter No L 14725 dated the 24th April 1947

The Ford Chassis was first received and quotations were called for, for building body But the marginally noted two quotations were received from local dealers whose works are not satisfactory In the meanwhile quotations were also received from Messrs Simpson & Co Ltd, Bangalore, for Rs.2,231/- Since the amount was found high, the question of body building to this Chassis was kept in pending, waiting for the quotations of other firms who execute the works satisfactorily By this time Austin Chassis was also allotted and the intimation received from the Controller of Motor Transport, Bangalore, to obtain the Chassis from Messrs India Garrage, Bangalore Immediately on receipt of this intimation the Firm was addressed to intimate whether the Chassis will be delivered by building body The Firm accepted for the proposal and quoted Rs 800/- This was got approved by the Board and orders placed with the Firm for the delivery of the vehicle after building the body As per intimation received from the Firm the full amount was paid and the delivery was taken

| | |
|---|---|
| Mr Krishnachari | Rs 1350/- |
| Mr V Siddaiah | 1340/- |

With regard to the Building Body to the Ford Chassis, fresh quotations were called for, from local dealers as detailed in margin These rates are found to be very high consider-

| | |
|---|---|
| M/s Krishna Carriage Works | Rs 1,200/- |
| " Ponna Setty | 1,100/- |
| " V Siddiah | 1,340/- |
| " Krishnachari | 1,350/- |

P T O

28 30

considering their quality of work Theese tenders were rejected and fresh tenders were called for, as Messrs India Garriage, Bangalore, expressed their inability to do this work as no other chassis except Austin Chassis work will be executed by them

Fresh quotations were received from Messrs Simpson & Co , and George Oakes, Ltd , Bangalore, as detailed in margin and this was placed before the Board The Board have resolved to get quotations from Bangalore Transport Co , Ltd , The Bangalore Transport Co , was addressed in the matter and a reply received from them stating that they cannot take up this work at present.

M/s Simposn & Co , Bangalore .. Rs 1,667/-
" George Oakes & Co , " . 1,450/-

This was again placed before the Board on 7th August 1948 and the Board have resolved to entrust the work to George Oakes & Co , Bangalore, for Rs 1,450/- vide copy of the Board's Resolution enclosed for reference

The cost of Body Building to Austin Chassis without Drivers Cab is Rs 800/- and the rates now accepted for Ford Chassis with Drivers Cab is Rs 1,450/- Austin Chassis was supplied originally with Drivers cab and the Ford Chassis is without Drivers cab The additional cost of Rs 650/- is towards the Drivers cab

The Sanction of Government may kindly be obtained for the proposal and communicated early

I have the honour to be,
Sir,
Your most obedient servant,

P Ghulam Ali
